

## Development of high-barrier sustainable material:

Climate neutral film offering by O. KLEINER AG

O. KLEINER AG production becomes **100 % CO2-neutral**

High-barrier laminate with up to **90%** renewable resources introduced by O. KLEINER AG

High-barrier **"Monomaterial"** from **pure PE-base** designed for mechanical recycling introduced by O. KLEINER AG

Increased capacity for industrial **Chemical Recycling** available?
